The Union

Founded in 1993, Hong Kong Special Administrative Region Outstanding Students' Union (HKSAROSU), renamed from New Territories Region Outstanding Students' Association (NTROSA) in 2001, is a non-profit-making student association in Hong Kong. Every year, the 20 awardees (30 before Year 2015) of the Hong Kong Special Administrative Region Outstanding Students Selection are admitted into HKSAROSU as new members. With its never-ending strive over the past 25 years, HKSAROSU has successfully grown from a small group to a reputable youth association with over 500 members. The many events and services organised at large not only granted HKSAROSU its considerable renown, but also the encouraging recognition from the community.

OUR EFFORTS

STEP-UP Series 入校分享活動

STEP-UP is a special in-school Sharing Session aiming at inspiring secondary students to explore their own potentials, encouraging them to strive for advancement, and emboldening them to step out of their comfort zone to pursue their dreams. This year, the theme is 'Be the Master of Your Soul - Listening to Your Inner Voices'. Through the sharing series, different HKSAROSU members will share their own journey of soul-searching with secondary students.

Hong Kong Future Pioneers 港傑・港未來

Hong Kong Future Pioneers, HKFP, is our annual summer flagship programme. Through workshops, exposure camp and campaign, HKFP aims at cultivating young leaders and exploring their potentials, as well as promoting community welfare and youngsters' personal growth. With participation of more than a thousand secondary students throughout the years, HKFP has successfully aroused social awareness of both participating teenagers and the public.

Outstanding Students Selection 傑出學生選舉

The Hong Kong Special Administrative Region Outstanding Students Award is one of the most long-standing and renowned recognitions for secondary students in Hong Kong. The Selection aims to encourage secondary students to utilise their potentials and strive to be all-round by awarding participants with outstanding qualities in academic performance, extra-curricular activities, community services, leadership and self-awareness.

Annual Dinner 週年晚宴

The Annual Dinner has been organised for many years as a prestigious and traditional event of HKSAROSU to provide a relaxing night for members to acquaint and build networks with each other. On the 25th anniversary, more than 80 members joined the annual dinner to celebrate the 25th anniversary of HKSAROSU.

Oriental Series 迎新活動

Every year, the Outstanding Students Selection Exposure Camp is organised to welcome our new members and strengthen the bonding between members. By participating in the orientation and exchanging ideas with current members, newcomers can gain valuable insights and build up the sense of belonging towards this warm and elite HKSAROSU family.

Welcoming Dinner 歡迎晚宴

The Welcoming Dinner is an event organised by HKSAROSU to express our gratitude to our honourable advisors for their support and to warmly welcome our new members from the HKSAR Outstanding Student Selection.

OSU in One

The HKSAROSU Programme includes a vertical Networking Hubs and a horizontal Discovery Labs. The former acts as one of the on-boarding programmes for new members to get to know about the Union and build connections among members with the same profession, while the latter provides a platform for members to share joy.
